

FROM THE CHARLOTTETOWN AIRPORT

DRIVING TIME (approximately 60 minutes)

- 1) Exit Airport, driving straight onto Sherwood Road. Continue until you come to your first set of lights (a CAT dealership will be on your left).
- 2) Turn right onto Route 2 - Malpeque Road/Veteran's Memorial Highway. This is the main highway you'll be on for the drive.
- 3) Continue driving through Winsloe, Springvale, Brookfield, Greenvale, Hunter River, Fredericton, and Pleasant Valley communities until you enter Springfield. When in Springfield, you will then turn left onto Route 8 - Freetown Road.
- 4) Continue on the Freetown Road until it ends. Turn left onto Route 1 - Trans Canada Highway. Continue on this road until you see signs for Bedeque. Stay in the right lane. As Route 1 continues left, you will drive straight from the right lane onto Linkletter Avenue. This will take you into Central Bedeque. When Linkletter Avenue ends, turn right onto Route 171 - Callbeck Street.
- 5) Drive straight until you enter Bedeque and the road ends. Turn left onto Route 112 - Searletown Road. Drive straight on the Searletown Road, and then turn right onto the Fernwood Road.
- 6) Continue straight on the Fernwood Road until you turn onto the Chelton Road. Stay on the Chelton Road, eventually turning left as the road turns giving you a view of the Confederation Bridge. If you drive straight onto a dirt road, you've gone too far on the Chelton Road.
- 7) After turning left onto the Chelton Road, continue straight as you pass the Chelton Provincial Park and Beach. Keep driving for a few moments until you see the Gordon Cove Cottages sign on the right.
- 8) Turn right onto the Gordon Cove Road. You will see the Little Bird Cottage sign on the right hand side at #60 Gordon Cove Road. We're the fifth cottage on the right hand side, nestled in the trees.
